

Charles J. Miller - Scan from 25.07.2016 09:38:21  
 Betty L. Thomsons - Scan from 22.07.2016 13:09:53  
 Patricia L. Evans - Scan from 21.07.2016 16:22:54  
 John L. Doe - Scan from 21.07.2016 15:08:39

Sarah M. Parker - Scan from 22.07.2016 15:20:08  
 James R. Brown - Scan from 22.07.2016 09:13:51  
 Marry L. Williams - Scan from 21.07.2016 15:24:59

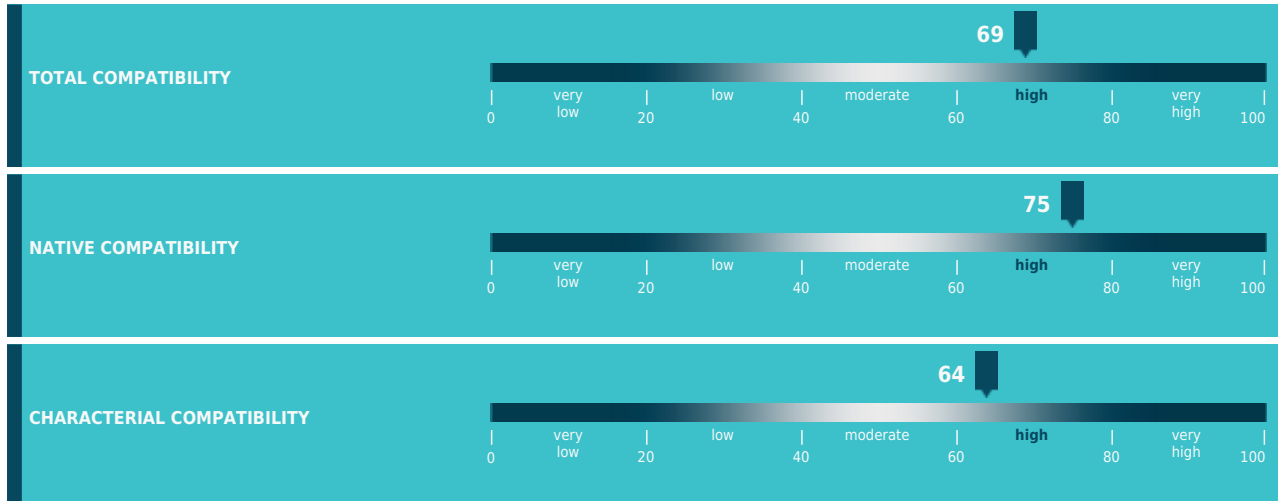

## 1 Data about group

Group name:

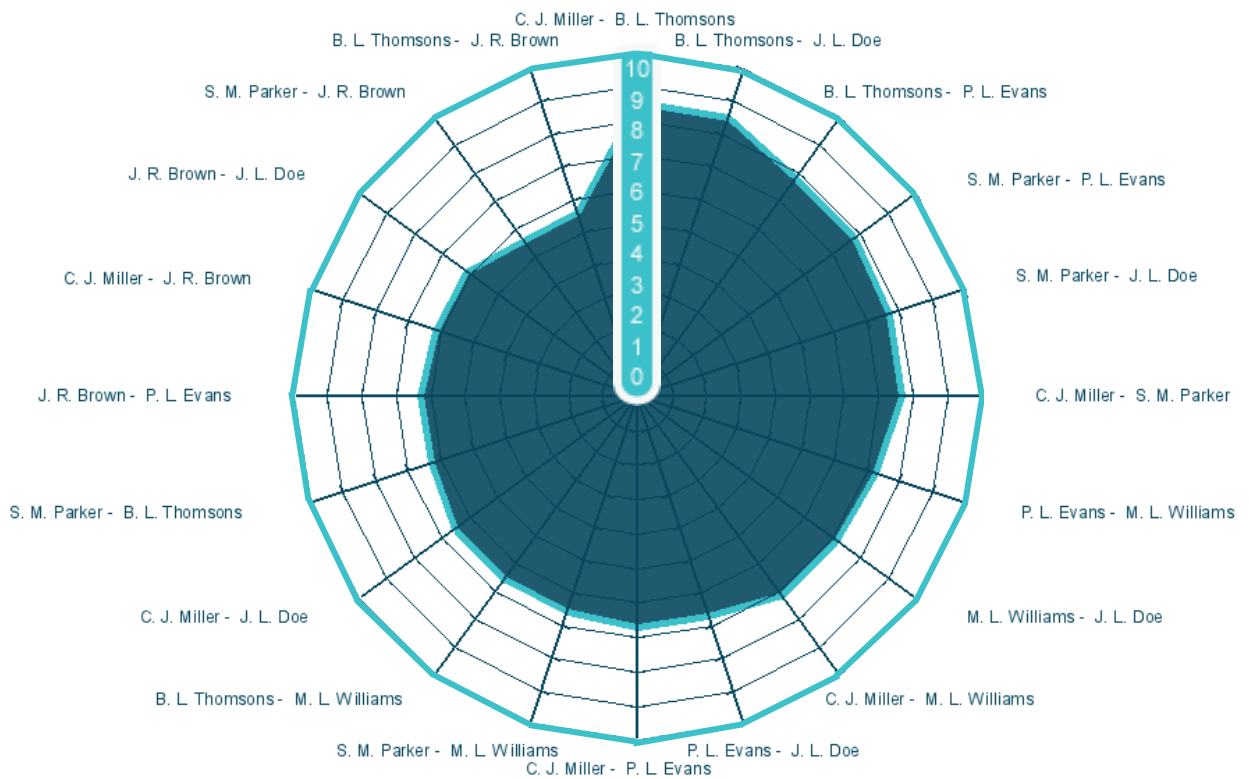

Marketing Team

Persons number:

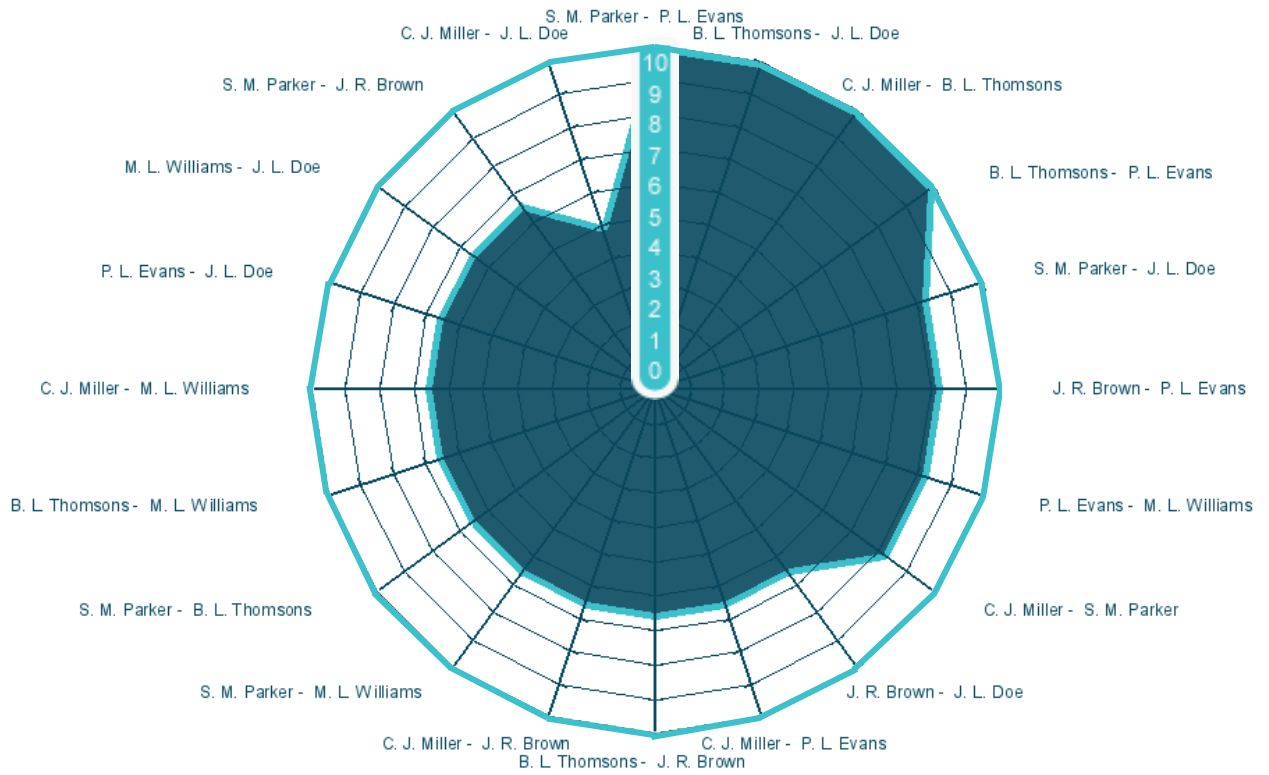

7

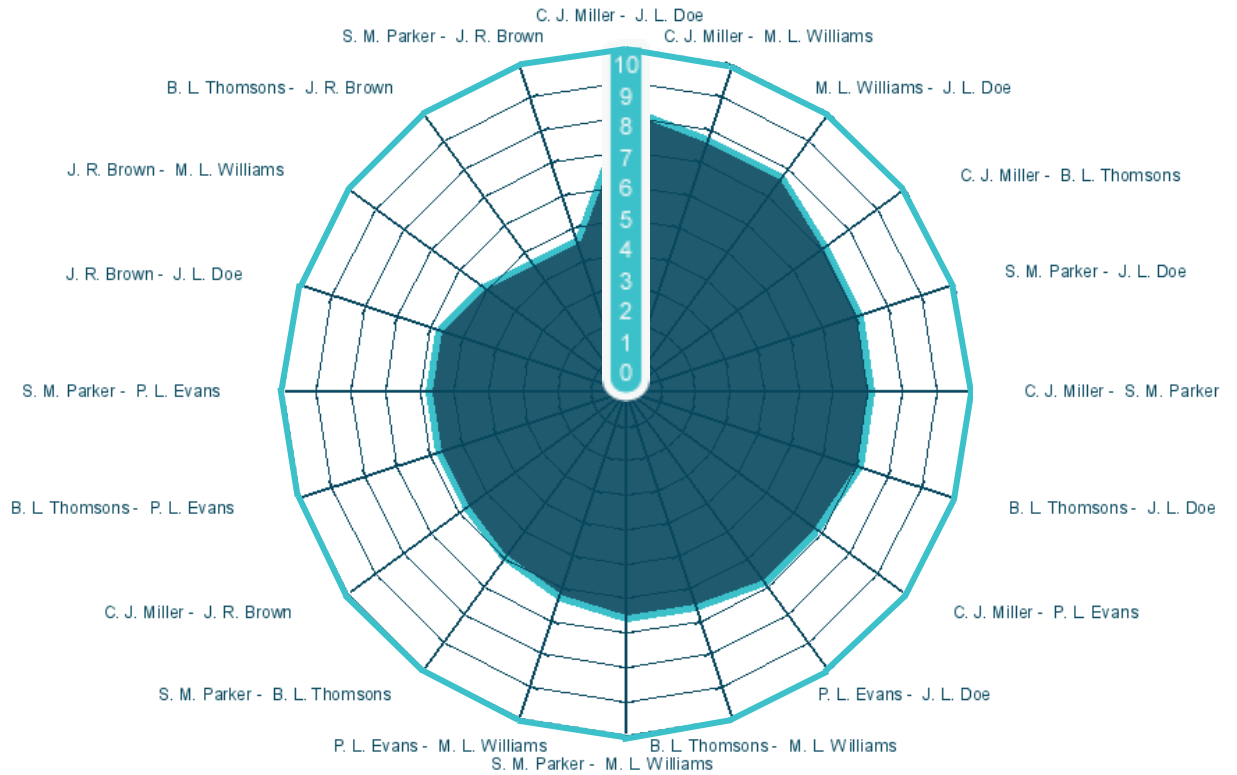

## 2 TOTAL COMPATIBILITY DIAGRAM

3 NATIVE COMPATIBILITY DIAGRAM

4 CHARACTERIAL COMPATIBILITY DIAGRAM

5 Pairs

Pairs	Native Compatibility	Characterial Compatibility	Total Compatibility
Charles Joseph Miller - Betty Laura Thomsons	100.00	72.22	86.11
Betty Laura Thomsons - John Larry Doe	100.00	72.22	86.11
Betty Laura Thomsons - Patricia Lisa Evans	100.00	58.33	79.17
Sarah Michelle Parker - Patricia Lisa Evans	100.00	58.33	79.17
Sarah Michelle Parker - John Larry Doe	83.33	72.22	77.78
Charles Joseph Miller - Sarah Michelle Parker	83.33	72.22	77.78
Patricia Lisa Evans - Marry Laura Williams	83.33	63.89	73.61
Marry Laura Williams - John Larry Doe	66.67	77.78	72.23
Charles Joseph Miller - Marry Laura Williams	66.67	77.78	72.23
Charles Joseph Miller - Patricia Lisa Evans	66.67	69.44	68.06
Patricia Lisa Evans - John Larry Doe	66.67	69.44	68.06
Sarah Michelle Parker - Marry Laura Williams	66.67	66.67	66.67
Betty Laura Thomsons - Marry Laura Williams	66.67	66.67	66.67
Charles Joseph Miller - John Larry Doe	50.00	83.33	66.67
Sarah Michelle Parker - Betty Laura Thomsons	66.67	61.11	63.89
James Richard Brown - Patricia Lisa Evans	83.33	44.44	63.89
Charles Joseph Miller - James Richard Brown	66.67	58.33	62.50
James Richard Brown - John Larry Doe	66.67	58.33	62.50
Sarah Michelle Parker - James Richard Brown	66.67	47.22	56.95
Betty Laura Thomsons - James Richard Brown	66.67	47.22	56.95
James Richard Brown - Marry Laura Williams	50.00	52.78	51.39

\*This report measures the three compatibility types on a scale from 1 to 100.

\*\*Before running a MindMi™ scan, consider the data you already have about your examinee (e.g. a previous interview, psychological test results or practical tasks) and combine it with your domain-specific knowledge. It's important to note that MindMi™ System does not treat or diagnose.
